## CODE OF FAIR CAMPAIGN PRACTICES

Elections Code §20440

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold, in order that, after vigorously contested, but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

- (1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties that merit this criticism.
- (2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.
- (3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on a candidate's actual or perceived race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age, sexual orientation, sex, including gender identity, or any other characteristic set forth in Section 12940 of the Government Code, or association with another person who has any of the actual or perceived characteristics set forth in Section 12940 of the Government Code.
- (4) I SHALL NOT USE OR PERMIT any dishonest or unethical practice that tends to corrupt or undermine our American system of free elections, or that hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.
- (5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.
- (6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from any individual or group, that resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics, that I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.
- (7) I SHALL DEFEND AND UPHOLD the right of every qualified American voter to full and equal participation in the electoral process.

***I, the undersigned, candidate for election to public office in the State of California or treasurer or chairperson of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices.***

**What is your vision for Stockton?**

A city where you can work, play, and raise a family in a safe environment with clean streets, parks, and extended hours and programming at our libraries, community centers, and a plethora of recreational opportunities. A city where when you call the police for help regarding a law enforcement issue, they come. A city where you can find a livable wage job and housing that fits your budget and your needs. A city where parents don't have to be gone for 12+ hours a day to work and not be around to encourage, support, and provide guidance to their children. A city that has adequate medical services for a physically and mentally healthy community. A city that honors and supports its historical neighborhoods and businesses from Victory Park to the Miracle Mile, to Swenson Park to the Magnolia District, and Downtown to East Main Street and MLK Blvd. A city with safe roads, smooth sidewalks, and disease/drought-free tress. A city where spending is thoughtful and not frivolous. A city where you can see and feel your tax dollars at work. A city that works with and for its residents in every way to have the best quality of life possible.

**How have you been involved in the community?**

Teaching Stockton students and teachers for 24 years. Volunteer (started some as early as high school) in the following programs: March of Dimes, Su Salud, Run-Walk Against Hunger, Coastal Clean Up, St. Mary's Dining Hall, Earth Day, SJCOE Hackathon, Youth sports, Comerciantes Unidos, Little Free Llibraries, Stockton 209 Cares, Heavenly Hands Kitchen Outreach, and presenting at various functions on how to get into college. In addition, I financially support with my personal funds many organizations and programs that work on creating positive opportunities for our residents from the Gospel Center Rescue Mission to Fruitful Cherry. In addition, I have been taking Stockton students on weeklong expedition trips to Yosemite National Park where the see the majestic beauty of such things as Half Dome, Hetch Hetchy and Rancheria Falls to North Dome and Yosemite Falls, and even Clouds Rest to Mount Hoffman. These children come back with renewed hope and determination and ultimately make better decisions as they continue their life's journey.

**Describe any work experience you feel translates to public office.**

Serving 8 years on the Stockton Planning Commission, held position of Chair and Vice Chair, 4th year on city council, 2 years on the San Joaquin Regional Rail Commission (recently named Vice Chair) that brings alternatives to driving a car to get to the Bay area, 1 year on the San Joaquin Valley Air Pollution Control District Board that has brought millions to Stockton to help lower PM2.5, PM10, smog test cars through the Tune In Tune Up program, offering incentives for people to change out their old, smog-producing vehicles, fireplaces, and businesses to get cleaners barbeque grills with collection of smoke, and low, zero-emission equipment such as tractors and buses.

**Why would you make a good Councilmember?**

I have proven leadership, as well as being fair, inclusive, honoring the rules, regulations, and process, highly responsive to citizen requests, visible in the community, strong work ethic, responsible, good communication skills, respectful, Informative, asks questions to gain a deeper understanding of complex issues, and dedicated to the position I hold by showing up and speaking up at ALL council meetings only missing a single meeting to attend a Homeless Taskforce program meeting as the city representative with the city manager.
